

Bigfoot Donuts ESTIMATE

INFO App Design Doc. Version 1.0 2022.11.21	Document Revisions
	2023.01.30
	Document Brief
	<p>This document serves as an estimate for the creation of a web app that is user friendly for Bigfoot Donuts customers to be able to order from their shop seamlessly. The customer would be able to choose a donut design, add personalizing, and even get it sent directly to their recipient right from the app Bigfoot Donuts.</p>
TO CLIENT / FUNDING BODY / PRO BONO	Project Description
	<p>For this project we will make a web app that has:</p> <ul style="list-style-type: none">- The ability to have the customer choose which donut or donut cake options they would like- Add personalizing- A method to send it directly to the customers recipient <p>We will also make these custom additions to the app as time permits:</p> <ul style="list-style-type: none">- Cartoon Bigfoot web assistant to answer questions and make suggestions where needed. The web assistant can also keep a running tally on costs as the customer builds their order- Ability to add a mood board palette to get better customization suggestions from the virtual assistant- Storing previous orders in a separate section for customers to get inspiration for their order

	Risk Assessment
	Risk assessment identifies areas of concern in a project. Though I offer line item estimates for tasks, areas of risk are flagged for possible budget increases and

	<p>timeline changes.</p> <p><u>Core Logic</u> All custom work with this level of complexity is an area of risk, as it represents unknowns on many levels. At the start of work, as far as possible, the complete logic flow for the system will be mapped out. Any omissions, special cases, or later changes will likely impact subsequent work.</p>
	<p>Pricing and Scope of Work</p>
	<p>The standard rate for design, site development, implementation and maintenance work is \$50.76 (see if you can figure out how to calculate this based on the budget sheet) per hour, and time assigned to the tasks delineated below reflect all time involved in the developer's completion of the task, including meetings, coordination, communications, and development time. Rates are subject to change and are normally adjusted yearly. The client will always be notified of the relevant rates and hourly estimates prior to commencing work on a given task. When an overage of more than 25% will occur for a task, [Tiffany Skogan] will first obtain approval from the client before proceeding.</p> <p>The tasks detailed below constitute the scope of work. Additions or notifications to the scope of work will incur additional expense and require additional time.</p>
	<p>Ownership</p>
	<p>The work product within the scope of this project will consist of the customization of existing software and the creation of new software for use by the client, as well as template code and custom configuration for the chosen platform. Bigfoot Donuts will retain ownership of the template code and configuration. Design in Mind Digital Services will retain ownership of the software that is created and customized. In addition, Design in Mind Digital Services hereby grants to Bigfoot Donuts a worldwide, perpetual, non-transferable, royalty free and fully paid up license to use the software it creates and customizes for this project.</p>
	<p>Billing</p>
	<p>Design in Mind Digital Services requires a 25% deposit on this contract cost prior to commencing work. This deposit is retained to service cash flow needs, and will not be billed against as payment for costs until the project has reached 75% completion.</p> <p>Design in Mind Digital Services will bill twice monthly throughout the life of the project. Invoices are due net 30. Once an invoice is overdue, Design in Mind Digital Services will charge 5% interest per month until the balance is paid.</p>
	<p>Confidentiality / Non-disclosure</p>

	<p>Neither party shall copy, use, or disclose any Confidential Information of the other except as reasonably required to perform its duties hereunder, and shall only disclose such information to those employees, subcontractors, and agents that have a 'need to know' such information to perform their duties.</p>
	<p>Termination</p>
	<p>This agreement terminates under the following conditions. a) Completion of the tasks described in this Agreement; b) Cancellation of Agreement by either client or Design in Mind Digital Services with cause with 5 days written notice.</p> <p>In the event that the agreement is terminated, Design in Mind Digital Services will be paid for the percentage of work completed up to that point within 30 days. Any deposits previously received exceeding the amount due to Design in Mind Digital Services will be returned to the client within 30 days.</p>
	<p>Reference</p>
	<p>Client agrees to allow Design in Mind Digital Services to reference the project in marketing materials, website promotions without prior approval.</p>
	<p>Disclaimer</p>
	<p>Except as set forth in this Agreement, the services and works furnished under this Agreement are provided on an 'as is' basis, without any warranties or representations express, implied or statutory including, without limitation, warranties of quality, title, non-infringement, merchantability or fitness for a particular purpose. Nor are any warranties created by a course of dealing, course of performance or trade usage. The foregoing exclusions and disclaimers are an essential part of this contract and formed the basis for determining the price charged for developer content.</p>
